

**All Weather Windows Mid Amateur Championship
Final Round Press Release
June 18th, 2009**

The All Weather Windows Alberta Mid Amateur Championship ended today at the Desert Blume Golf Course in Medicine Hat Alberta. The field of 76 players battled conditions they hadn't seen in the past two days as the wind kicked up, making the course more difficult.

The wind didn't seem to be a problem for Kelly Risling who fired a 70 to vault up the leaderboard and into second, he was unable to take the lead from Karl Parrington who managed to hold onto his second round lead by shooting a 73 today to finish at 3 under par. First round leader Floyd Kilgore would have been even today if not for the disastrous 18th hole where he took a 4 over par 9 knocking himself out of contention for the team positions. Tom Skinner was steady today carding a 1 over par 73 to finish alone in third and clinch a team spot.

Karl Parrington, Kelly Risling and Tom Skinner will represent Alberta competing in the RCGA Canadian Mid Amateur Championship August 17th-20th at the Cooke Municipal Golf Course in Prince Albert, Saskatchewan. The fourth and final spot will be awarded to the top player aged 25 or over at the Alberta Amateur Championship, July 21-24 at Bears paw Country Club in Calgary.
