

Canada Summer Games

August 26th, 2009

The 2nd round of the Canada Games Golf event is now complete. It was a major change from round one with windy conditions gusting between 40 and 60 km/hr. The boy's team slipped back a little today while the girl's team posted a few solid numbers.

The second round scores and standings are as follows;

Girls

Alberta Team – T 5th
Christie Lin – 79, 83
Jennifer Ha – 81, 77
Krista Fenniak – 84, 85

Boys

Alberta Team – 5th
Cole Chelle – 70, 76
Sang Lee – 72, 77
Carson Kallis – 84, 78

Last night our teams went out to cheer on the Alberta Volleyball Team in their second round robin match against Manitoba which went to four games with Alberta extending their unbeaten streak. We also visited the track for pole vault and high jump which was a great experience.

Thank you to all of our supporters for turning this opportunity into a reality! Alberta Sport Recreation Parks and Wildlife Foundation, The Frank Lindsay Golf Foundation, all families involved and the Alberta Golf Association.
