Mid Handicap / Marg Ward

Final Round Results - June 4, 2009

The second and final round began bright and early with an 8:00 am shotgun on the foggy Tunnel / Sulphur course. Once the fog lifted the players were once again treated to a gorgeous, sun drenched day. The extraordinary conditions leant the players an opportunity to put two solid rounds together in hopes of taking home either the Mid Handicap or Marg Ward trophies. The players competed for both gross and net prizes within their flights. The top honours this year were snatched by Tricia Schell from the Ponoka Community GC and Patricia Taguchi from the River Spirit GC. Tricia Schell captured the Mid Handicap title with rounds of 90 and 84 for a total of 174 (+32). Particularly impressive was the fact that this tournament was her first two rounds of golf in the 2009 season. Patricia Taguchi captured the Marg Ward title with rounds of 100 and 110 for a total of 210 (+68), not bad for a lady with a handicap factor of 26.4.

A special thanks to the Banff Springs GC for making this tournament such a success over the past two years. Steve Young, Director of Golf and his staff did an outstanding job of hosting this popular tournament. Because of the growing demand for available spots in this tournament Alberta Golf was able to increase the field size significantly this year from the 58 players who registered in 2008 to 101 players in 2009.

The Mid Handicap / Marg Ward tournament is for ladies with handicap factors of 12.0 – 39.0. This tournament takes place over two days with players competing for both the Mid Handicap and Marg Ward trophies on the Tunnel / Sulphur course.
